Consent & Supervision

Canoeing and Kayaking are assumed risk and water contact sports. We must have consent from each adult member as well as consent for each member under 18 from their parent/legal guardian(s). Members that are under 18 must be under the direct supervision and control of a parent/legal guardian or other authorised person at all times whilst at the club or whilst using club equipment.

By signing the membership application form each signatory is;

- Indicating the awareness of those risks and taking responsibility for them.
- Agreeing to the membership information given being stored on computer.
- Agreeing to abide by the WDCC rules (available online) and constitution (available on request).
- Giving consent for the member to receive first aid.
- Indicating that he/she is giving consent for any under 18 members for whom he/she is the parent/legal guardian to:
 - Attend Winchester and District Canoe Club.
 - Take part in kayaking/canoeing.
 - Receive first aid.

For a **family membership** the main member must be the first signatory and is responsible for collecting signatures for all family members. The first signatory is also indicating that he/she has obtained consent from any other parent/legal guardian of any other under 18 members by collecting their signatures below theirs. Family members under 18 must have their parent/legal guardian sign on behalf of the child.

For a **junior membership** (under 18) the parent/legal guardian of the child must sign on behalf of the child.

For all **other membership** types, the adult member must sign.
